A REMARKABLE SCENE.

Evangelism on a New Basis Dr. Wm. J.
Dawson's Interesting Story.

That was a remarkable scene at Des
Moines, Iowa, the other day in connec-
tion with the National Council of Con-
gregational churches, when Dr. Lyman
Abbott, Dr. Amory H. Bradford, Dr. N. D.
Hillis and other dignified and mem-
orable leaders of the denomination were
on their knees in prayer with several
hundred of their brethren, many of
them weeping and all of them power-
fully affected by one of those sudden spiri-
tual movements which now and then
takes possession of and aways a relig-
ious assemblage. So the Boston Trans-
cript declared in an editorial article.
And the influential force in producing
the remarkable scene was the story of
Dr. Wm. J. Dawson, relating how his
own church was led into a practical at-
tempt to reach the masses about it with
the gracious evangel of Christ. Dr.
Dawson is now in this country and will
visit most of the states in the Union in
an endeavor to arouse the churches to
what he terms, "Normal Evangelism." He
will speak in the Congregational
church of this city next Tuesday evening
at 7:30 o'clock. The people of the
city are invited. And it will be well
for those who wish seats to come early.
On the following day, Wednesday, the
8th, meetings are to be held at Beth-
any church, Montpelier, morning, after-
noon and evening. Many are expected
from all over the state to attend.

ance at the court Thursday.

low.

Revival meetings are in progress at
the Congregationalist church. Rev. Wil-
son R. Stuart, Vermont state evangeli-
st, is assisting the pastors this week.

The lumbermen on "Drew's Mountain"
went on a strike Tuesday morning. The
matter was of short duration, however,
and all went to work at once upon a
raise in pay of a few cents.

Adlow Barlow of Moretown was ar-
rested in that town Tuesday for dis-
turbance of the peace of Maple Hill New
Year's evening, and was brought before
Justice O. H. Smith Friday morning.
Clarence Senter of Montpelier appeared
for Barlow, and witnesses for the de-
fendant were summoned, but the case
was not pressed.

Frank Hardy was arraigned before
Justice O. H. Smith Thursday morning,
on a charge of breach of peace. Harry
Shurtleff for defendant and J. P. Lam-
son for the town. A jury was called
for by the defendant and they returned
a verdict of "guilty." Mr. Hardy was
fined \$10 and costs of about \$23. The
case was appealed to county court.

Herbert Ellis' house, on the Mayo
Wyman farm, caught fire about two
o'clock Thursday morning, around the
stove-pipe in the sitting-room, running
up around the chimney and out on the
roof. The fire originated from a chim-
ney burning out in the afternoon Wed-
nesday. Mr. Ellis rang the bell at the
barn, but was unable to raise anyone,
and it was by hard work only that the
buildings were saved.

DIGGERS WANTED IN PANAMA.

Too Many Clerks Now, but Competent
Workers Are Needed.

Washington, Feb. 4.—It was an-
nounced at the office of the Civil Ser-
vice Commission yesterday that for the
present no more examinations will be
held for clerical and professional posi-
tions in the Panama Canal service, the
applications already being far in ex-
cess of its needs. Competent and ex-
perienced persons are desired, however,
as members of steamshovel crews, par-
ticularly cranimen and pit foremen.

11 MEN MAROONED BY ICE.

In Desperate Straits in Chesapeake Bay
—Aid Sent to Them.

Annapolis, Feb. 3.—The iceboat An-
napolis left Annapolis Harbor this
morning bound to the rescue of the
eleven water men who are known to be
in a desperate situation on a barren is-
land of the Chesapeake Bay, five miles
south of Deal's Island, known as the
Great South Marsh.

Hang Hepburn in Effigy.

Des Moines, Ia., Feb. 3.—Congressman
Hepburn, of the Eighth District, was
hanged in effigy by 400 Cass County
farmers. The Cass County Farmers' Al-
liance, at a stormy meeting, denounced
Hepburn as "a tool of the Burlington
railroad."

IBSEN'S MASTERPIECE.

From the Atlantic to the Pacific;
from Maine to Texas, the critical thea-
tre goer has felt the mediocrity of the
modern moral play. That the majority
of so called problem plays are weak,
lacking in their entertaining qualities,
is evidenced by their short lives.
"Ghosts," the stirring masterpiece of
the Norwegian dramatist genius, is not
only powerful to the extent of having
actually caused strong men to cry out,
but only holds the audience in such
spellbound attention that after the fall
of the final curtain scarcely a person
moves until the ushers throw open the
exit doors. From the first production
of "Ghosts" this season the immense
audiences have demonstrated its popu-
larity. Yet it is not the play alone
which has won success. Claude Bogel
and Adelaide Fitz Allen and their gifted
company portray the subtle force of
Ibsen's domestic tragedy with such ex-
cellence that as characterized by an
eminent New York critic: "One for-
gets one is in a theatre and that the
people who move before him are actors."

This wonderful play will be at the
Barre Opera House Saturday, February
11th.

ternational Union of America, will be

of importance. All members requested
to be present. Jesse Miller, President.

Keep Thinking About It.

Cough Syrups that are constipating
leave the stomach and bowels in a
dangerous condition. A cough syrup
that is laxative is sure to give better
results. Lix-all is a laxative, and if
it fails to cure your cough or cold we
will pay back your money.

TO DOUBT THIS

Is To Disbelieve The Evidence Of Barre
Citizens.

L. H. Hooker, carpenter and builder, of 161
Prospect street, says: "What I first stated in
the winter of 1897 about Doan's Kidney Pills,
and at E. A. Brown's, was not only absolutely
true, but today, in the month of May, 1902, I
just as emphatically endorse the preparation
as I did when it first came to my notice. I have
good reasons for doing so. I had consulted
physicians and used every known kidney re-
medy which came to my notice and which my
friends suggested, but still the stopping of the
dull, almost constant pain just over my kidneys
was remotely in the distance. If I sat down for
a short time it made me nervous and I was
compelled to get up and walk about for the
slight comfort that makeshift afforded. In
addition to the backache, trouble with the kid-
ney secretions was very observable at night.
When I commenced to use Doan's Kidney Pills
my condition I considered serious. I knew
by the direct action of the pills on the kidneys
that they were going to the root of the trouble
and I continued the treatment until I had used
five boxes. During the time which has passed,
and it is over five years, I have had occasion to
appeal to Doan's Kidney Pills and I have never
appealed to them in vain. I have recommended
them to my friends and acquaintances, who
have used them with such good results that
they positively state they are an excellent
preparation."

For sale by all dealers. Price 50 cents. Fos-
ter-Milburn Co., Buffalo, N. Y., sole agents for
the United States.

Remember the name—Doan's—and take no
other.
